

**TRANE**

# Product and Systems Solutions Line Card

Trane Canada West  
Manitoba

TRANE  
TECHNOLOGIES

**Aldes**  
[www.aldes.com](http://www.aldes.com)  
Provides ventilation solutions, commercial cube units, wheel units and light commercial products.

**Dynamic**  
[www.dynamicaqs.com](http://www.dynamicaqs.com)  
Manufacturer of air cleaning technology effectively controlling sub-micron particles and odours.

**Bulldog**  
<https://bulldogheatpump.com>  
Leading manufacturer of hybrid heat pump systems featuring heat recovery, free heat and geothermal to reduce carbon footprint.

**Fläkt Group/ Semco**  
[www.semcohvac.com](http://www.semcohvac.com)  
Offering a complete line of Passive House HRV and custom desiccant based recovery systems to meet today's need for better air quality and energy efficient systems.

**Cancoil**  
[www.can-coil.com](http://www.can-coil.com)  
Offering custom and catalog air-cooled condensers, condensing units, fluid coolers, compressor units and coils.

**Fraccaro**  
[www.fraccaro.it](http://www.fraccaro.it)  
Radiant heating and cooling ceilings. Metal Ceilings or above Gyproc (plasterboard).

**CAREL USA, LLC.**  
[www.carelusa.com](http://www.carelusa.com)  
World leader in control solutions for air-conditioning, refrigeration and heating, and systems for humidification and evaporative cooling.

**Güntner**  
[www.guntner.com](http://www.guntner.com)  
Offer evaporative cooling, condensers, air coolers, dry coolers and controls.

**Climetec**  
[www.climetec.ca](http://www.climetec.ca)  
Leading designer and manufacturer of vertical fan coil units for hotel, condo, apartments, dormitories and barrack applications.

**Ice Western**  
<http://www.icewestern.com/>  
Manufacturer of custom indoor/outdoor heating/ventilation equipment to suit all industrial/commercial applications. Package cooling available.

**Comefri**  
[www.comefriusa.com](http://www.comefriusa.com)  
Heat exchangers for the commercial/ industrial and heat transfer markets.

**Industrial Climate Engineering**  
[www.acice.com](http://www.acice.com)  
Packaged, vertical air conditioners with cooling capacities. The ICExp explosion proof units are built in capacities of 12,000 to 240,000 BTUH for hazardous locations.

**Cooney Coil & Energy**  
[www.cooneycoil.com](http://www.cooneycoil.com)  
Supplier of replacement HVAC coils, tube bundles, heat exchangers with the Cooney Coil non-freeze technology.

**Kampmann**  
[www.kampmann.co.uk](http://www.kampmann.co.uk)  
Offering trench heating, high output heaters, air curtains, unit heaters, radiant ceiling panels, fan coils and chilled water AC units.

**Dadanco**  
[www.dadanco.com](http://www.dadanco.com)  
Provider of active chilled beams and single source solutions.

**Koldwave**  
[www.koldwave.com](http://www.koldwave.com)  
A complete line of portable and temporary HVAC product from 6,300 BTUH through 360,000 BTUH. The line includes Air Conditioning, Heat Pumps, Heating/Cooling units, Heating Only units and dehumidification units in industrial capacities.

**Desert Aire**  
[www.desert-aire.com](http://www.desert-aire.com)  
Provider of energy-saving dehumidification and DOAS solution for indoor poolrooms, grow rooms, ice rinks, schools, office buildings and water treatment plants.

**Marvair**  
[www.marvair.com](http://www.marvair.com)  
Packaged, vertical air conditioners with cooling capacities of 12,000 to 72,000 BTUH.

**MJC Inc.**  
[www.mjcinc.com](http://www.mjcinc.com)  
Innovative engineering, modifications and quality coatings.

**Thermotech**  
[www.thermotech-usa.com](http://www.thermotech-usa.com) Experts in energy recovery, heat wheel, repair and retrofit.

**Multiagua**  
[www.multiagua.com](http://www.multiagua.com)  
Offer variable water volume AC systems such as air-cooled chillers, wall-mounted water fan coils, DX fan coils and heat pumps.

**Thybar**  
[www.thybar.com](http://www.thybar.com)  
Specializes in pre-fabricated roof curbs, packaged roof top and AHU equipment modifications, direct replacement AHU's, and energy recovery ventilators.

**RBI**  
<http://www.rbiwaterheaters.com/>  
RBI offers one of the most complete lines of boilers and water heaters available today. Known for its high quality, wide array of options for maximum application flexibility, RBI provides today's engineers packaged solutions to fit virtually every specification.

**Total Comfort Solution**  
[www.williamscomfortprod.com](http://www.williamscomfortprod.com)  
Supplying quality fan coils that meet the toughest requirements. Units are built to flow and air volume specifications required by building engineers every single time.

**Samsung**  
[www.samsung.com](http://www.samsung.com)  
Offer VRF/mini split systems ideal for data room applications, this includes indoor/outdoor units available as heat pump or recovery type.

**Wilo Canada Inc.**  
[www.wilo-canada.com](http://www.wilo-canada.com)  
Wilo is one of the leading pump manufacturers worldwide. We provide highly efficient pumps and pump systems for applications in Building Services, Water Management and Industry.

**Sanden**  
[www.sandenwaterheater.com](http://www.sandenwaterheater.com)  
Specializes in CO2, heat pump, hot water tanks.

**Scott Springfield**  
[www.scottspringfield.com](http://www.scottspringfield.com)  
Industry leading supplier of fully customizable air handlers to meet the stringent requirements for institutional, industrial and commercial applications.

**Sigma**  
[www.sigmaproducts.com](http://www.sigmaproducts.com)  
Provider of radiant heating: Convector, Fin Tube, Force Flow, Unit Heater, wall fin heaters and linear & modular radiant panels.

**SWEP**  
[www.swep.net](http://www.swep.net)  
World-leading supplier of brazed plate heat exchangers that are designed to make the most efficient use of energy, material, and space in HVAC/R & industrial applications.

**Thermax**  
[www.thermax-usa.com](http://www.thermax-usa.com)  
COP manufacturers and exporters of absorption chillers with absorbers from 10-3500 tons capacity, driven by steam, hot water, natural gas, fuel oil and/or exhaust gases.

## Sales Offices:

Manitoba

Winnipeg

1109 Wilkes Avenue, Unit 1

Winnipeg, MB R3P 2S2

204.632.1543

Trane Technologies (NYSE: TT) is a global climate innovator. Through our strategic brands Trane and Thermo King, and our portfolio of environmentally responsible products and services, we bring efficient and sustainable climate solutions to buildings, homes and transportation.
